eMail for Life
Resetting Your TAMIU Student Email Password

Welcome. This tutorial will demonstrate how to reset your TAMIU student e-mail password. Please note you will need your Banner ID and Birth Date information.

1. To begin, open an Internet browser and log in to http://dusty.tamiu.edu.
   You will be redirected to the TAMIU eMail for Life home page.

2. To reset your account password, Click on Password Reset from the bottom menu and click on the click here link provided.
   You will be redirected to the password reset web page. This page requires you to enter your Email and Banner ID, birth date and a new password.

   Please note user information presented in this tutorial is fictitious and is not representative of an actual account.

3. Please enter your eMail ID in the field provided. Next, enter your Banner ID followed by your Birth Date. Next, enter a new password. For verification purposes, retype the new password.

4. Once you have entered all information, click on Continue to proceed.
You will be redirected to a confirmation page indicating your password has been reset. You may close the webpage or click on the **Click here** link to return to the TAMIU Email for Life home page.

**New Password Ready**

- Your password has been reset.
- Click here to go back to the TAMIU Email for Life 3.0 home page.

If you experience any technical difficulties, please contact the OIT Help Desk at 956.326.2310.

And remember, for all your TAMIU Technology needs... **Think Blue!**
